ABOUT THE WORKSHOP

We will bring together an active group of researcher interested in inequality, education, and intergenerational mobility. Both structural and reduced-form papers are welcome and one of the goals of the workshop is indeed to create interactions between researchers of these different groups.

SUBMISSION

Please submit papers or extended abstracts by September 15, 2019 by sending an email including the title, coauthors, and presenter along with the manuscript to social.mobility@joachim-herz-stiftung.de. Please indicate whether you are also willing to discuss a paper. We will be in touch by September 30.

FUNDING

Two nights of lodging for presenting authors and discussants will be covered. There are also travel funds available; please indicate if you need them in your submission since they are limited.
